Pick & Mix sweets	Treats

Please read before ordering. Our pick & mix is weighed and packed by hand in an environment that handles all 14 major allergens, including milk, egg, wheat (gluten), soya, nuts and peanuts. Although we take care to avoid cross-contamination, we cannot guarantee any sweet is free from traces of allergens. If you have a severe allergy we advise against ordering pick & mix. Information comes from the manufacturers and recipes can change, so always check the ingredients included with your order. Questions? Email **hello@rockersemporium.com**.
